DOWNTOWN CAAT

515 AVENUE OF THE STATES, CHESTER PA

A Message From Our CEO

Dear esteemed members of the Chester Cultural Arts and Technology Center community,

On behalf of the entire team at the CAAT Center, I am delighted to extend my warmest THANK YOU, as we celebrate our 5th anniversary. This is a momentous occasion that signifies our steadfast commitment to providing transformative opportunities and enriching experiences to the Chester community.

As President and CEO, I couldn't be prouder of the incredible progress we have made over the past five years. Our center has become a beacon of creativity, innovation, and growth, offering diverse artistic, cultural, and technological programs to people of all ages and backgrounds.

From the moment we opened our doors, the CAAT has remained deeply rooted in our mission to empower individuals, foster collaboration, and inspire lifelong learning. We have witnessed firsthand the positive impact our programs have had on the lives of countless individuals, nurturing their talents and igniting their passions.

Our success would not have been possible without the unwavering dedication and tireless efforts of our incredible staff, volunteers, partners, and supporters like you. Together, we have created a vibrant and inclusive community that celebrates diversity and embraces the power of the arts and technology.

Looking ahead, we are filled with excitement and anticipation for what the future holds. We will continue to innovate, adapt, and evolve, ensuring that the CAAT remains a catalyst for positive change and a driving force behind the exploration and celebration of arts and technology in Chester.

On this momentous occasion, let us take a moment to reflect on our achievements, recognize the remarkable talents within our community, and recommit ourselves to the noble mission that unites us all. Together, we will keep pushing boundaries, breaking barriers, and leaving an indelible mark on the lives we touch.

Thank you for your immense support throughout this remarkable journey. We are honored to have you by our side as we embark on the next chapter of our collective success.

With utmost gratitude and anticipation,

Tara

Updated COVID-19 Vaccines for 6 Months and Up

STAY UP TO DATE: The CDC recommends that everyone 6 months and older receive the updated COVID vaccine this fall/winter.

STRENGTHEN IMMUNITY: If you have been vaccinated or had COVID, your protection fades over time. This updated COVID vaccine will protect you from the latest variant that can cause severe COVID, hospitalization, and complications like long COVID.

PRIORITIZE PREVENTION: Even with this updated COVID vaccine, continue wearing masks, avoiding crowded places, and practicing good hand hygiene for maximum safety. This is especially important if you are at high risk for severe COVID.

Stay informed, get vaccinated, and consult reliable sources for updates.

Doc Says:

If you never received a COVID vaccine, it's not too late to catch up! Talk to your healthcare provider about getting a COVID vaccine today. If you don't have a healthcare provider, call Dr. Kristin Motley at 484-234-2427 for help.
